This 21st till 24th September, witness the 2010 China Model Contest - Guangdong Division onboard Star Cruise Pisces! All the way from Guangdong, China, this pageant sees 20 beautiful ladies vying for the main title and are here in Penang with crews from 5 television channels; Guangdong TV, Hunan TV, Southern TV (TVSCN), Fashion TV. 3 magazine publishing houses; Look Weekly, Fullre and several well known websites; <http://www.qq.com/>, <http://www.hunantv.com/>, <http://www.imgo.tv/>, <http://www.sina.com/>, <http://t.sina.com.cn/> and <http://www.taobao.com/>, to document the girls' journey to Penang which will be broadcasted throughout China to millions of viewers a week after their return.

The group's excursion here in Penang includes visiting the Penang Snake Temple, shopping at Queensbay Mall, staying at Hard Rock Hotel Penang, visiting Fort Cornwallis, Esplanade and Chew Jetty while they're not spending their time onboard Star Cruise Pisces. Sampling a taste of Penang as the food paradise of South-East Asia is definitely set on their minds as they will be stopping by Gurney Drive to try among Penang's local favourites; Laksa, Char Koey Teow and more hawker delights! Besides that, the newly opened Shanghainese restaurant, Dragon-i, Bak Kut Teh and Nyonya Cuisine are also on their list of must-tries! With that, we hope they enjoy the best of Penang and by featuring Penang in their broadcast, more tourists from China will visit Penang.

Models from Guangdong, China join in with YB Danny Law, EXCO for Tourism Development & Culture, and Ms Selina Ng, General Manager of Queensbay Mall, for Launch of Queensbay Mall Tourists & Travellers Privilege Card
