檳城影藝協會每年都有舉辦攝影展覽來誘導青年們走向健康的文娛活動，是值得社會人士的支持。國際影展使我們有機會瞭解各國的文化風俗，促進各國人民之間的感情，對社會國家都有很大的益處。

貴會能舉辦全馬唯一獲得國際承認的影展，非有過人的辦事能力，是難以達到的，這亦是檳州影藝界的光榮。今年的影展能獲得三十七個國家的參與，更是難能可貴。我謹向貴會致以崇高的敬意，並祝影展成功！

Photography is originally a means to record the actual appearance of things. However, in order to take better and more accurate pictures, photographic instruments have been improved by scientific research and the skills of photography together with the pictures taken have also developed in conjunction with the progress of civilisation, into a fine art which further enriches our lives. This kind of useful and recreational photographic art should be valued and should be promoted. It is therefore hoped that people from all quarters will render support and sponsor the development of photography as an art.

The Photographic Society of Penang ventured to hold the 1st International Salon in September, 1982, providing an opportunity for the photographic art enthusiasts as well as the others to appreciate more than two thousand pictures from about thirty countries. The enthusiasts had a chance to learn from each other and improve themselves while many more of the other ordinary people had become interested in the art. The exhibition, having attained such objectives, was considered a success, as expected, and it has given The Photographic Society of Penang the confidence to hold the 2nd International Salon this year. Once again, more than two thousand pictures from more than

thirty countries, including the works of many famous photographers have been submitted. The selected ones, more than four hundred of them, will be displayed in the Dewan Sri Pinang of Penang in July this year, for the appreciation and enjoyment of all. This successful exhibition proved to be very beneficial.

In the preparation for the 2nd International Salon, the members of the salon committee have worked hard and made great efforts. I would like to thank all of them for their kind cooperation.

I would like to express gratitude to all those people who have given support and due cooperation to enable the Society to hold the exhibition as scheduled. This 2nd International Salon proved to be very successful.

攝影原本是用來攝取實況的一種技術，爲了使攝取的鏡頭更準確和更美好，攝影的用具隨着科學的進步而逐漸改善，攝影的技巧和暗房的技術亦隨着文明進步，而發展成爲一種藝術，更加豐富了人們的生活，這種實用且能作爲消遣的影藝的確是應該受到重視和值得提倡的，社會人士應該響應支持及贊助影藝的發展。

檳城影藝協會同人在一九八二年九月間，毅然舉辦首屆國際沙龍影展，讓愛好影藝的同道以及其他各界人士，有機會觀賞來自數十個國家的二千多幅作品，使前者能互相觀摩切磋和藉以續求精進，及後者有更多對影藝的認識及發生興趣，那次的影展能達至上述的目標，可說已獲得預期的成功，所以給本協會同人有充份的信心舉辦第二屆的國際沙龍影展。

這次又有卅多個國家的同道響應參加，寄來的作品超過兩千幅，其中有很多是名家的傑作，入選的佳作四百多幅在檳州大會堂展出，讓各界人士再次一飽眼福，希望各界不要錯過良機。

在籌備本屆影展的工作中，得到本屆全體沙龍委員的通力合作，使到賽會能夠圓滿的成功，本人在此向各位表示感激，同時我們最感光榮的是得到檳州行政議員李永樞先生 K. M. N. 駕臨主持剪綵開幕，及國內外資深攝影家前來評選作品，社會各界人士的捐助經費，各報記者的宣傳，使影展得以如期舉行，同時再度達至成功，我謹代表本會向以上各方人士致以崇高的敬意及謝意。。

MESSAGE

"The illiterate of the future is the person ignorant of the use of the camera as well as of the pen" written in 1936 by the Hungarian Photographer La'szlo Moholy-Nagy, these words alone justify a knowledge of Photography.

The deep concern with the objectives of the society and the interest of the members in particular has inspired the Photographic Society Of Penang to succeed in the careful planning and implementation of various training programs which amongst others, the basic photographic course, colour printing course, special effect and creative photography course. These training programs are repeated every year for the benefit of new members. Apart from regular photographic outings the society also organised in-house competitions, local and International Photo Salon. Usually by invitation, some senior members of the Photographic Society of Penang have been unselfishly giving talks and lectures to the public, institution of higher learnings and many other societies to create the awareness of the importance of photography both as a hobby and as an indispensable knowledge of the modern world and at the same time to promote the Photographic Society of Penang to the public.

In the past it has been difficult to capture an international image both for the society as well as the individual members for various reasons. But today members of the Photographic Society of Penang have won many international awards in various competitions and both the name of our society and its members have created great impact in more than 30 overseas countries for the name of our beloved country Malaysia. The sense of achievement could not be described by all those hard working and dedicated members of the society but their pictures paint a thousand words. *Ars longa, vita brevis*; in Latin it means Art is long, life is short. Long live photography and The Photographic Society of Penang!

檳城影藝協會肩負發展攝影藝術責任，歷屆理事都有精細策劃，務求每年都能有一個初級訓練班、彩色沖印班以及特別技術班來訓練新的人才，同時舉辦沙龍展覽來刺激攝影活動，並向大眾及學校舉辦攝影講座，提高大眾對攝影的認識。

在以前本地攝影師想在國際影展佔一個席位，可說是難以登天，可是現在却能在三十多個國家角逐中獲得甚多獎牌，給我們很大的鼓勵。本會的努力，可說是沒有白費，"生命是短暫的，藝術却是永恆的。"本會將在全體委員合作下永恆不息為發展影藝而努力，以不負大眾所寄的厚望。
